ABOUT

I build things that perform beautifully. I design intuitively navigable websites and apps that are informative and visually appealing. I strengthen teams by amplifying each member's strengths, achieving objectives we couldn't reach on our own.

EXPERIENCE

Akron–Summit County Public Library, 2004–2022

- Developed wayfinding, signage, & traffic flow analysis, original illustrations & graphic design for four iterations of the Enchanted Story Land Forest program, an immersive annual event for 300–600 patrons set along a one-mile hiking trail
- Collaboratively developed three iterations of a subject-based reorganization of the nonfiction collection & improved signage, leading to a 19.6% increase in circulation over a five year period
- Routinely guided patrons through a variety of internal & external software products
- Planned and taught workshops, created passive crafts & participatory installations
- Produced, edited, and co-hosted four seasons of the Richfield Branch Library Podcast

SPACES, Board of Directors, 2014–2020

- Served as Secretary, Fundraising Committee Chair

FORUM artspace, Co-owner & Curator, 2011–2015

- Developed, organized, and produced monthly shows and special events
- Created and maintained the website, archives, and social media

EDUCATION

M.S., User Experience Design

Kent State University
2022–2024 (expected)

B.F.A., Printmaking, Minor in Philosophy

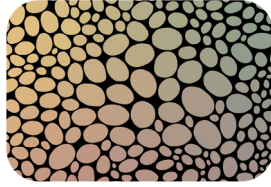

University of Akron
2007–2012

SKILLS

Visual Design – Photoshop, Illustrator, InDesign, Fresco, Lightroom
Prototyping & Wireframing – Figma, XD, Marvel, Sketch

Brainstorming & Ideation, Content Writing & Strategy, Interaction Design
Asset Library Organization, Qualitative User Research, Analysis & Synthesis
